Education Session Submittal Guide

Greenbuilding Brasil International Conference and Expo is now accepting proposals for presenters and topics for the 2016 show. This template details all required information for submittal of your session proposal for the following conference:

Greenbuilding Brasil International Conference & Expo

August 09-11, 2016, São Paulo, Brazil.

We encourage you to use this template to draft your submittal. You will not be able submit one proposal for multiple events or to copy a proposal within our system, so please use this template accordingly. Only proposals submitted through the submittal site will be accepted; we will NOT accept emailed, faxed, or mailed proposals under any circumstances. Fields marked with an asterisk (*) are required.

The deadline for all submittals is **Wednesday, February 17, 2016, 5:59 pm, Brasilia Time.**

How to submit:

All proposals must be submitted online at

<https://www.conferenceabstracts.com/cfp2/login.asp?EventKey=ONBNRLRR>

You may begin the submission process and return to your saved proposal any time up until the submission deadline. Faxed or mailed proposals will not be accepted.

Proposals are being accepted in the following formats:

1. **60 Minute Education Session - General Format:** Complete session including one, two, or three presenters (Moderator is optional, but a maximum of three total participants) for a one hour session.
2. **60 Minute Education - Research Session:** Complete session including one, two, or three presenters (moderator is optional, but a maximum of three total participants). By opting-into the Research track, you are required to submit an accompanying research paper.
3. **120 Minute Education Session:** Complete session including two, three, or four presenters (moderator is optional, but a maximum of four total presenters) for a two hour session.

All proposals must be complete, comprehensive, and deemed relevant and timely to the conference's audience. The Working Group may shorten a presentation, increase and/or reduce the number of presenters, select alternative presenters from among those proposed, and/or combine the submitted presentation with other proposed presentations, at its sole discretion. All presenters will be contacted independently to confirm their submittal.

Important Note on Process:

Each presenter and moderator will need to login individually to the submittal site to enter their personal details and confirm their participation in the proposal. The submitter cannot complete the proposal without the participation of **all** proposed speakers/moderators.

All complete proposals must be submitted and all speakers must login to complete their personal details by **Wednesday, February 17, 2016 at 5:59pm, Brasilia Time**. The submittal site will time-out due to inactivity – please save your submittal frequently. You must submit a complete proposal before the February 17 deadline.

Research Sessions

Greenbuilding Brasil is proud to include sessions dedicated to advanced research in green building. Proposals that opt into this program will go through the standard review process, and each accepted presentation proposal will be required to submit an accompanying research paper, which will be posted on the Greenbuilding Brasil website. These papers will represent new, original, journal-quality research. Accepted presenters must agree to submit a research paper in order to present at Greenbuilding Brasil, by **June 01, 2016**.
